

FAQ

1. How will I study?

With Nova College you are able to study while you are at home. All materials will be provided to you when you join the course and you will be using that study material to learn at home in your own time without it affecting your social, personal and family life.

2. How long is my course?

Course	Tutor Support
AAT Foundation Certificate in Level 2	9 Months
AAT Advanced Diploma in Accounting Level 3	12 Months
AAT Professional Diploma in Accounting Level 4	12 Months

If you have opted to get support during this time you will be getting all the support you need from study material to a tutor that you can contact via email or phone. Your AAT membership lasts for a year which means you would have the time to give your exams up to 12 months after joining.

3. How will I pay for the course?

You can choose which package you would like to have, Package 1 you will have to pay the initial deposit of £100 and the rest of the course fee will be divided in 2-3 instalments depending on which course you have chosen. Package 2 you will have to pay the initial deposit of £200 and the rest of the course fee will be paid in 5-6 instalments depending on which course you have chosen.

4. Can I work and study at the same time?

You can study and work at the same time. You will not need to come to our college unless you will need revision classes other than that you can be working and studying whenever you want.

5. What is the minimum requirement to join?

The minimum requirement has been mentioned in each section of the online courses under the subheading "Minimum Requirement".

6. How will I do my exams?

You will have the privilege to do exams at our centre, you will book the exam via phone on the dates that we have available. Payments for exams can be taken on phone and you will be booked. You do not have to do all exams together. You can study one unit, do the exam and move on to the next unit. If our centre is too far from you then you are able to do your exams at your local AAT centre but you will have to make your own arrangements then. Please note that you will need to register with AAT before taking any exams in any AAT centre. Registration fee is not included in the course fee paid to our centre.
